

Student Mobility Erasmus+ KA171

Riga Technical University - Latvia

Call for Applications - PhD & Master 2 (M2) Students

University of El Oued, Algeria

The University of El Oued, in collaboration with Riga Technical University (RTU), Latvia, is pleased to announce the opening of applications for Erasmus+ KA171 Student Mobility opportunities for the Spring Semester of the 2026/2027 academic year.

Mobility Details

- Host Institution: Riga Technical University (RTU), Latvia
- Mobility Type: Erasmus+ KA171 Student Mobility
- Number of available positions: 5 positions
- Target Applicants: PhD students and Master 2 (M2) students
- Mobility Period: Spring Semester 2027 / Second Semester of the Academic Year 2026/2027
- Language of Study: English

The mobility gives selected students the opportunity to pursue part of their academic or research activities at Riga Technical University, develop their academic and intercultural skills, and strengthen international cooperation between the two institutions.

Eligibility Requirements

Applicants must:

- Be officially enrolled at the University of El Oued.
- Be enrolled as either a PhD student or a Master 2 (M2) student.
- Have a strong academic record.
- Meet the academic requirements of Riga Technical University.
- Have at least a B2 level of English.
- Be able to undertake the mobility during the Spring Semester 2027.

Selection Criteria

According to Riga Technical University, applications will be evaluated based on:

- Academic performance / GPA - minimum required GPA: 6.75
- English language proficiency - minimum level: B2
- Motivation Letter
- Zoom interview conducted by Riga Technical University

Final selection by RTU will be based on merit.

Required Documents

1. Updated CV in English
2. Motivation Letter
3. Academic Transcript
4. English Language Proficiency Certificate - minimum B2
5. Certificate of Enrollment
6. Valid Passport
7. For PhD students, a brief description of the proposed research / study activities, where applicable
8. Any additional supporting documents requested during the selection process

Selection and Nomination Process

1. Students submit their applications to the University of El Oued within the internal deadline.
2. Applications are evaluated according to the eligibility and selection criteria.
3. The selected candidates are officially nominated to Riga Technical University by the International Relations Office / Erasmus+ Coordinator of the University of El Oued.
4. Nominated students will be contacted by the RTU Erasmus+ Coordinator to complete the RTU online application.
5. Candidates will submit the required supporting documents through the RTU application platform.
6. Conditionally approved students will be notified and may be invited to a Zoom interview by RTU.

7. Successful candidates will receive instructions for preparing their Learning Agreement in cooperation with the Erasmus+ coordinators of both institutions.

Erasmus+ Funding

Students who are finally selected and accepted by Riga Technical University may benefit from Erasmus+ KA171 financial support, in accordance with the applicable Erasmus+ regulations and available project funding.

Please note that the Erasmus+ mobility places available at Riga Technical University are distributed among partner institutions within the region. Therefore, nomination by the University of El Oued does not automatically guarantee final acceptance or funding by Riga Technical University.

Applications are evaluated by RTU on merit in order to select the most suitable candidates.

Application Deadline at the University of El Oued

25 September 2026
