

ERASMUS+ KA171 INTERNATIONAL MOBILITY PROGRAM

Tallinn University of Technology (TalTech), Estonia

Call for Master and PhD Students – Spring Semester 2027

Important Announcement for Students of the University of El Oued

The University of El Oued, in cooperation with Tallinn University of Technology (TalTech), Estonia, is pleased to announce the opening of applications for Erasmus+ KA171 International Credit Mobility opportunities for the spring semester of the 2026/2027 academic year.

Under the current Erasmus+ KA171 project, TalTech can host up to 3 Master or PhD students from the University of El Oued for either a study semester or, subject to a separate procedure, a traineeship period.

Mobility Details

- Number of available mobility places: 3
- Eligible levels: 2nd year Master and at least 2nd year PhD students
- Host institution: Tallinn University of Technology (TalTech), Estonia
- Mobility period: Spring semester 2027
- Mobility options: Study semester or traineeship period

Eligibility Conditions

- Applicants must be officially enrolled at the University of El Oued at Master or PhD level.
- Students may only be nominated in a subject area covered by the Erasmus+ Inter-Institutional Agreement (IIA) between the University of El Oued and TalTech.
- The student must be studying at the University of El Oued in the same subject area for which they are nominated.
- Nominations that do not correspond to the agreed subject area and study level may be rejected by TalTech.
- Applicants must satisfy TalTech academic, language, and course-specific requirements.

Study Requirements at TalTech

- Exchange students must take at least 15 ECTS during the semester.
- At least 70% of the selected courses must correspond to the subject area and academic level studied at the home university and indicated in the nomination.
- Some TalTech departments and courses have additional prerequisites or restrictions, as indicated in the course catalogue.
- Some courses have a limited number of places for Erasmus+ students and may be allocated on a first-come, first-served basis according to the order in which complete applications are submitted.

Course Catalogue

The Spring 2027 Erasmus+ course catalogue:

- Course catalogue: <https://taltech.ee/en/courses-english>
- Before the Spring 2027 catalogue is published, students may consult the Spring 2026 catalogue as a reference when preparing a preliminary study plan.

Required Application Documents

Applicants should prepare the documents required by TalTech and by the University of El Oued selection procedure. The complete TalTech application must include all required documents by the final application deadline, including in particular:

- Learning Agreement
- Language proficiency certificate

- Academic records and other supporting documents required by the host university
- Any additional documents requested through the SoleMove application system

TalTech application information is available at: <https://taltech.ee/en/admission-and-application>

Selection and Nomination Procedure

1. Application and selection at the University of El Oued: eligible applications will be evaluated according to the University's internal Erasmus+ selection procedure.
2. Nomination to TalTech: selected candidates will be formally nominated by the University of El Oued through the SoleMove platform.
3. Student registration in SoleMove: the nomination is valid only if the nominated student also completes their own SoleMove registration and application within the applicable deadline.
4. TalTech eligibility and application review: the host university will verify the student's field, academic level, documentation, course selection, and other eligibility requirements.

Important TalTech Deadlines

Stage	Deadline
TalTech nomination deadline	25 October 2026

Internal University of El Oued Application

Internal application deadline: **25/10/2026**

Application form/link: <https://forms.gle/tP8UwzzsGAMH1NP2A>

Traineeship Mobility

Students interested in an Erasmus+ traineeship at TalTech may also be considered within the available mobility places. Because the traineeship nomination procedure differs from the study-semester procedure, shortlisted applicants for traineeship mobility will receive separate instructions after the internal selection stage.

Additional Information

- TalTech will provide nominated students with their credentials and further application instructions after the nomination deadline.
- Nominated students are strongly encouraged to attend the TalTech online information session on 4 November 2026 from 13:00 to 15:00 (Estonian time).
- Students with questions regarding course eligibility or TalTech requirements may contact the host university after nomination using the contact details provided by TalTech.
